## ISABEL HANLON

Wife of Paul Hanlon, Isabel is a mild-mannered, patient woman who enjoys hosting events and organizing gatherings with the couples' friends. As a professional make-up artist for movies, Isabel travels a lot for her work, and loves to experience new places. She is a fantastic skier, and her moves on the slopes put all others to shame!

## FLORENCE MCCUMBER

Fun, vivacious and always up for a good time, Florence McCumber is always having a good time. A long-time friend of many at the chalet, Florence has an infectious laugh, and makes it her mission to ensure everyone is having a great time no matter the situation. Her sense of humour and ability to take life lightly helps her in her profession as a teacher, and she is always keen to share stories of the absurd things that take place in her classroom. Florence is the guest everyone wants to have around – and together with her husband, Kai, the pair is always the life of the party.

## CARLY BRAY

Quiet and mild-mannered, Carly tends to be the serious one of the group. While she is no stranger to having a good time, while others are laughing hysterically, she manages a mild chuckle. Carly has a soft voice and a knowing smile, and has often been referred to as the most mysterious of the group.

## MARIE DORSAY

One half of the on-site staff, Marie Dorsay and her partner, Henrick, are in the chalet to cook, clean and take care of both the chalet and the visitors within. Marie herself is young and capable, but very no-nonsense and while she is not rude, she does not engage in pleasantries with the guests. Marie stays in the small staff quarters at the back of the chalet with Henrick.

## VERONA STINGER

Verona is a stranger to everyone at the chalet. Her presence in the chalet is a true mystery, and no one seems to know who she is. Verona is secretive and cryptic, and does not give much away about her presence at the chalet or who she is. One thing is certain about Verona though – she is definitely not a mere skier on vacation in The Alps!

## YANNA BARROWS

The rightful owner of the chalet, Yanna is direct and easily-irritated. Yanna is not a local resident, but lives a three hour flight away. She rarely visits her chalet, but enjoys the rental income derived from the property, and she employs caretakers to take care of her property and guests so she can instead spend her days sunning herself on one of her many favourite beaches. Yanna despises the cold and hates skiing, so her visits to The Alps are few and far between, and only if completely unavoidable.

An avid traveler, Paul was happy to find Isabel, and together they travel as much as possible. Paul is also a fantastic cook, and a handyman at heart, having recently renovated the couple's house himself.

## KAI MCCUMBER

Husband of Florence McCumber, Kai is an avid skier, and hits the slopes as often as he can. This is his fifth trip to the Alps, and he claims that skiing anywhere else in the world is now just a disappointment. Kai likes to enjoy the finer things in life, and is *the* person to go to for wine recommendations – no matter where in the world you plan to drink it! Kai is suave and charismatic; someone others simply love to be around.
